

## 2022 Minimum iPad specs and Device Range

See the table below. If your current iPad meets these specifications, you do not have to purchase a new iPad.

Please note that these are minimum specifications. If you are purchasing a new iPad and you would like your child to be able to use this for several years, we recommend a higher tier model.

Specifications	Already own an iPad	Purchasing a new iPad
<b>Model</b>	iPad 7/8 <sup>th</sup> Gen/iPad Air 3/4 <sup>th</sup>	iPad 10.2' 9 <sup>th</sup> Gen (latest)
<b>Operating System</b>	iOS 15	iOS 15
<b>Storage Capacity</b>	32GB or higher	64GB or higher

Devices not permitted as part of the iPad Program:

- iPad minis, iPhones, smartphones, any mobile phone device or anything with a screen smaller than 9.7inches, Android, Chromebook or Windows devices.

The School advises that devices do not have cellular/mobile or external access to the internet. While at school, students must only access the internet through the school's network system.

The above specifications are a guide only and do not take into account any changes to operating system updates that can happen over the life of the iPad program.
