Re: Bus Services 2027

Dear Parents,

As we plan for our 2027 school bus services, we will once again use the online Expression of Interest Form for parents to register their interest.

If you are considering Maranatha bus services in 2027, please access the online booking form via the following [link](#) and submit **by Friday 11th September, 2026**.

It is important that you register your interest, even if you have used the buses in 2026.

Without a submitted Expression of Interest form, we cannot take individual circumstances into account in our planning for 2027 and there is no guarantee your address will be on the route. However, we do ask that you only complete the form if there is a strong likelihood you will need to use the bus service in 2027.

Please complete the Expression of Interest Form even if you are only intending to use the free shuttle service between Officer and Endeavour Hills as this allows us to gauge the demand for this service.

Current bus routes, with stops and times, can be reviewed [here](#). This will give an indication of the charter bus services that may be offered for next year. However, routes will be determined subject to demand and school operational requirements, so it is imperative we know of your interest in using the service.

Once the school has been able to assess the demand for the services, and determined the routes for 2027, we will request that parents confirm their use of the bus. It is intended that this process be finalised by the end of Term 4.

If you have any queries, please contact our Endeavour Hills Reception Team on (03) 9709 7209.

Yours in His service,
